1. Director of Logistics

Dan:

[redacted] called a few weeks ago and talked about the capabilities of one of [redacted]

Company, the thought being they might provide a service or function in support of our various efforts. I suggested they send some background information on capabilities which is in the attached package. Note this is [redacted]

6. 45-1

This was the result of an A-76 Study and competitive contract process. [redacted] and I had a briefing on this at the last Acquisition R&D Seminar at Annapolis a couple of years ago. It might be interesting to see how it is working out. Leave it to you whether you invite them in or give them the PMS standard treatment. No promises were made to Les.
